

"The discussions and interactions were so interesting and it was less scary to share personal things than I thought. The exercises really made me think and unlocked some stuff, but it wasn't heavy or traumatic either." - Christina

"I enjoyed all elements of today's mindset workshop I especially enjoyed learning how to crack my comfort zone with the practical diagram. I am feeling empowered, inspired and motivated to create change in my life." - Natalie

SUCCESS MINDSET

A Success Mindset is the most powerful asset you can have in your business.

It helps you stay focused on growth even in the the challenging times as well as act upon the opportunities presented to you, without hesitation, procrastination and fear.

Decide today to make 2020 the year to support your business and your life by investing in you, your success mindset.

If you want to increase your confidence, upgrade your prosperity mindset, and expand your vision in 2020, then Success Mindset is a tool to help you unlock your potential. You see, you can have all the strategy in the world, but if you don't implement things because you are constantly doubting yourself and feel you are not good enough or deserving enough of the success you want, nothing changes.

The Venus Training Academy programmes are geared to your success in life and business. We love to help you step into the potential and possibilities that exist for you. We will help you stay focused on your goals and dreams, by making them achievable and do-able.

This workshop will be run by Academy coach Mandy Beverley.

Mandy Beverley is the founder of the Remarkable Group. Specialising in self leadership and the untold benefits of balanced thinking, she helps you gain insights to breakthrough and dissolve perceptions, beliefs and feelings that are holding you back in life and business. Self Leadership is essential to your success so your business can do what it's purpose is and not become a reflection of your state of mind.
